New Website!!

We are happy to announce our long awaited new website is up and running. Will Menz, Menz Multimedia, did a great job of putting it all together. It will continue to be a work in progress as we learn to keep it current and change pictures every so often. Go to www.milfordmiamitownship.com and check it out. Check your information on the membership page and contact us with any changes. If you have something about your business that you would like to add, let us know and we will see if it is possible. Please be patient with us as this is all new to Karen and I. Will has been very helpful and we hope to be able to manage some of the changes in the near future.

C.O.V.E.R. Awards Dinner

The 2011 C.O.V.E.R. Awards Dinner was a wonderful event. Michael Flannery, Ohio Valley Good Will Industries, was the guest speaker and proved to be very entertaining. Thanks, Michael. We listed the award winners in the last issue and we want to congratulate all again for contributing to our great community. We have wonderful people in the Milford Miami Township area and gives our chamber great pleasure to honor them. A special thanks to Will Menz, Menz Multimedia, for the great slide show. If you are interested go to our new website, click on the link and watch the slide show. Thanks Will.

Taste of Christmas

It is with deep regret we will not be having Taste of Christmas this year. With the MCFD hall no longer available and the economy still on the skids, the Board decided to step back and rethink this tradition. We will continue to promote the Mary Ann Partin Scholarship Fund and we thank all vendors, sponsors and those that donated many wonderful items for our silent auctions and raffles over the years. Another example of our great community.
